Protection of the Arctic Marine Environment
Working Group of the Arctic Council

Arctic Marine Litter Expert Group Workshop

Workshop venue and agenda

Norwegian Environment Agency, Oslo, Norway

Monday 3 February 2020 from 09:00-17:00

Workshop venue:

The expert workshop on PAME's Regional Action Plan on Marine Litter in the Arctic (ML-RAP) will be held on 3 February 2020, back-to-back with the PAME Working Group Meeting (PAME I-2020) and a number of other associated meetings occurring throughout the week of 3-7 February 2020.

The workshop venue is the conference center at the offices of the Norwegian Environment Agency in Oslo ([here](#)).

Workshop Objectives and Draft Agenda

The objective is to facilitate inputs to the development of the ML-RAP, in particular with regards to the Strategic Actions. The 1st draft of the ML-RAP will form the basis for these discussions and was distributed to workshop participants on 14 January 2020.

Coffee breaks: 10:15-10:30 and 15:00-15:15 - Lunch break: 12:00-13:00
